Term 1 Newsletter

Another outstanding term at Albert Park!

This term we welcomed over 30 new young people to the Albert Park Community. They come at a time of change. This year is the final year of English Communication and Pre Vocational Maths. From this term Essential English and Essential Maths will be offered along with Short Courses in both Literacy and Numeracy. This is a significant change and has required a great deal of work from Chris and Heidi to get these subjects ready.

Also new this term is Fashion. This has proved an exciting and popular addition to our curriculum. Thanks to Julie and Heidi for getting this ready and running.

As always Music and Visual Art have been a driving force at Albert Park. We welcomed Jade to our staff team who has provided some extra energy in the art room and also allowed Lou to work her magic on BKSB as well as Art.

The Music Camp at Woodstock was a great success as was the collaboration between Clarence Street and Albert Park for Youth Week – Big Shout out to Ofa and Ray and the music crew.

Over the school break there will be significant work being done at Albert Park with the verandah play area floor being recovered for Lucy and the families and a new roof going on the undercroft to stop those leaks. Getano will be working with Red Cross Night Café for a few nights on a video project they are doing for Youth Week

Music Camp – Woodstock 2019

 - Youth Week Celebration
 - Beat Box w' Jonny Drama
- VisInk – BCC
 - Badge Workshops
- Ithaca Labor
 - Film Bursary

ALBERT PARK
FLEXIBLE LEARNING CENTRE

Respect, Relationships, Rights, Responsibilities, Safe & Legal

A number of new administrative requirements have meant that Fiona and Rachel have worked especially hard over this term to keep the school running smoothly. Thanks to them and all the support that workers gave during this period.

Rachel also helped us manage without our kitchen coordinator until Regina stepped into the breach and kept us fed with delicious food.

As always the success of Albert Park is built on the community spirit that young people bring to Albert Park and I am very grateful for the work that young people have done to help each other and themselves achieve a vibrant education.

I am looking forward to Term 2 very much.

With much gratitude

Simon – Head of Campus

Preparation for Climate Change rally

Learning Outside - Dutton Park

Term 1 Highlights

- Music Camp – Woodstock
- Fashion Excursion – Easton Pearson Archive
- Youth Week Celebration – Clarence Street
- Climate Change Rally
- Ship for World Youth Visit
- The Edge Audio Workshops

ADMINISTRIVIA:

Did you know that without a note or other documentation we have to mark young people with an 'Unexplained Absence'. This is what Centrelink and government auditors look for in deciding whether a person is in fact a fulltime student.

Please provide Rachel or Fiona with a text message, phone message or written note so that we can provide an explanation on the roll. This will ensure your enrolment and avoid a Centrelink debt.
