RE: COVID 19 Providing Essential Services – Educational and Wellbeing Support

As per the directions of the South Australian Government and Federal Government, FAME staff members are continuing to provide educational and wellbeing support to the young people enrolled in our school.

Staff Members of FAME are as follows:

Ann-Maree Fewtrell & Beverley Angeles – **Co-Campus Principal**

John Francois – **Senior Youth Worker**

Rochelle Fielding – **Head of Community Liaison**

Teachers: Matthew Herro, Justin Latham, Helena Loncaric, Yuki McCaskill, Paul Wighton and Janine Wright.

Youth Workers: Dion Forrester, Roy Graham, Martin Hidalgo, Toni Liddle and Nigel Lockyer.

To enable our young people to continue with the education program we are delivering physical resources in a learning pack to our students' homes.

Our staff are also making times for home visits to provide pastoral and educational support and also delivering needed supplies such as meals to support the health and wellbeing of our young people and families.

During these visits our staff are taking extra hygiene precautions and ensuring social distancing, as required.

Yours sincerely,

Gerard Keating
Network Principal
